- ◆ Rain wear and footwear for wet weather
- ◆ Hat, shorts, and tops for warm days

- ◆ Campers can bring their own bicycle, if they wish, or one will be provided for them
- ◆ Toiletries – toothbrush, toothpaste, soap, shampoo, towels and face cloths, etc.
- ◆ Garbage bag for dirty laundry
- ◆ **White t-shirt (shorts, bandana, pillow case, etc. are also suitable options) for Tie-Dye craft (only 1 item per child please) – Cotton or cotton blend works best.**
- ◆ Anything else that you think you may need

Electronic Devices

As this is an adventure camp where we do many outdoor activities, we recommend campers leave their electronics at home, however we realize that most kids have cell phones and are used to being in contact with parents/guardians on a regular basis, so if you decide to bring your personal device please remember that **Broadleaf Ranch is not responsible for any lost, misplaced, or broken items**. Electronic devices will only be permitted during meals and breaks unless otherwise required.

Medications

Any medications sent to camp will be kept by the Head Counselor and must be *clearly labeled* with the camper's name, name of the medication and required dosage. **The use of non-medical drugs, alcohol, and smoking/vaping is prohibited by all campers**. If cigarette smoking is of concern to both the camper AND PARENTS, please bring it to our attention at registration time.
