

## ADVENTURE CAMP INFORMATION

### Arrival and Pick-Up of Campers

- ◆ Camper registration will be at the Ranch Restaurant from on **Sunday from 3:00PM to 4:00PM**.
- ◆ Staffing and accommodations are **NOT** available prior to 3:00 P.M.
- ◆ **Sunday supper IS included.**
- ◆ Pick-up time will be at the Adventure Barn (across the parking lot from the Restaurant – up the ramp) on **Friday from 10:00AM to 11:00AM**. **Lunch is NOT included**
- ◆ Please plan your arrival and pick-up times accordingly.

### What to Bring

Campers should bring things that they would normally need for a **5-night** stay away from home, such as:

- ◆ Sleeping bag, pillow, and an extra blanket. Extra padding or a mat can be brought for the campout, but is not necessary. Large air mattresses will not be allowed.
- ◆ Flashlight, insect repellent, sun screen, and water bottle
- ◆ Rain wear and footwear for wet weather
- ◆ Hat, shorts, and tops for warm days
- ◆ Sneakers for hiking/recreation and Rock-Climbing Wall
- ◆ Jeans or long pants for riding (boots with a low heel-if you have them – sneakers are ok)
- ◆ Warm jacket and a sweater for evening campfires
- ◆ Swim suit & towel
- ◆ Bike helmet and/or riding helmet (if you have one). One will be provided if you don't have your own
- ◆ Campers can bring their own bicycle, if they wish, or one will be provided for them
- ◆ Toiletries – toothbrush, toothpaste, soap, shampoo, towels and face cloths, etc.
- ◆ Garbage bag for dirty laundry
- ◆ **White t-shirt (shorts, bandana, pillow case, etc. are also suitable options) for Tie-Dye craft (only 1 item per child please) – Cotton or cotton blend works best. Please note: We have noticed that thicker items, such as hoodies or pants, don't seem to hold color as well as thinner items.**
- ◆ Anything else that you think you may need

### Electronic Devices

As this is an adventure camp where we promote socialization and connection with peers as well as many outdoor activities, we recommend campers leave their electronic devices at home, however we realize that most kids have cell phones/tablets, etc. and are used to being in contact with parents/guardians on a regular basis. So, if you decide to bring your personal device, please remember that **Broadleaf Ranch is not responsible for any lost, stolen, or broken items**. Electronic devices will only be permitted at 1 or 2 specified times during the day and evening and otherwise will be kept by the counsellors in a safe place until that time.

### Medications

Any medications sent to camp will be kept by the Head Counselor and must be *clearly labeled* with the camper's name, name of the medication and required dosage.

**The use of non-medical drugs, alcohol, and smoking/vaping is prohibited by all campers.** If smoking/vaping is of concern to both the camper AND PARENTS, please bring it to our attention prior to registration time.

### Messages for Campers

Messages for campers may be sent by e-mail to [info@broadleafranch.ca](mailto:info@broadleafranch.ca) Please identify which camper you are emailing in the subject line. These will be delivered daily.

We are looking forward to another great summer of Broadleaf Adventure Camps. See you soon!
